

2016 SHORTLISTS ANNOUNCED AND VOTING OPEN 1 SEPTEMBER

SEXIEST BEDROOM IN THE WORLD

Romance comes in many guises – and there are no hard and fast rules for creating the perfect boudoir. But some things we can all agree on: it has to delight, excite, and surprise.

A room ripe for seduction needs to do more than get the basics right: the hotel you think is home to the Sexiest Bedroom in the World will pull out all the stops to light your fire. There's no stinting on quality; the lighting is just-so; maybe the minibar has a few fun extras, or the view's a corker.

Bellevue Syrene

Housed in an ancient grotto, 2015's Sexiest Bedroom winner aces ambience with exposed stone walls and an oversized hydro-massage pool – that's in addition to an ensuite tub. There's also a canopied king-size bed to lounge on, and a balcony with sea views that's ideal for a post-dip glass of bubbly. Cupid would definitely approve.
